OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 1 March 1972

1. (Secret - JGO) Talked to Mr. Ralph Preston, House Appropriations Committee staff, who told me that it will be necessary for the Chairman to set back the scheduling of the Director's presentation on the community budget and the Agency budget from the proposed 17 and 24 March until after 20 April. All other matters relating to the briefings and the scheduling of the meetings to follow the Director's presentation remain the same. The heavy schedule of Committee hearings prior to 20 April has made it impossible to schedule Friday meetings.

2. (Confidential - JMM) The Director told me of a conversation with Senator Mike Gravel (D., Alaska) who would like a briefing on Vietnam at 4 p.m. on Friday, 3 March. Mr. Carver has been alerted.

3. (Unclassified - GLC) Jack Leahy, in the office of Congressional Relations, State Department, called and asked if we had seen Senator Fulbright's letter of 25 February to the Secretary of State requesting various studies (including an entire CIA study and any interagency studies) on Radio Free Europe and Radio Liberty. Leahy also asked if I could tell him who the points of contact were between our two agencies on matters pertaining to the Radios. After checking with [redacted] I advised Leahy that a copy of the letter was LDXd to us last night and Agency recommendations on it were now being developed. I also told him [redacted] of this Agency is in touch with Messrs John Baker and Dick Davies.

4. (Unclassified - GLC) In response to a call made to [redacted] [redacted] I contacted Mr. Tom Dine, on Senator Frank Church's (D., Idaho) staff, who has requested the FBIS Far East books for 4 and 5 January 1972.

25X1 5. (Confidential - GLC) Scott Cohen, on the staff of Senator Charles Percy (R., Ill.), called and asked if we would assist them in "helping the Government." He said Senator Percy and Senator Humphrey would be introducing a resolution in the Senate tomorrow expressing the sense of the Senate to support Radio Liberty and Radio Free Europe until a more permanent arrangement for their continuation can be agreed upon. Cohen is preparing a speech for Senator Percy to deliver on the floor of the Senate when he introduces this resolution tomorrow and asked for any information we might provide him concerning the amount of air time given by Radio Moscow and East Europe broadcast stations to the President's recent trip to China as compared to other subjects. I subsequently passed on to Cohen data provided by FBIS and [REDACTED] RFE. Cohen said any use he might make of this material would be without attribution to the source. He commented that while he knew the resolution would not get to a Senate floor vote (it will undoubtedly be referred to the Foreign Relations Committee where it would be allowed to die) they are hoping to get a sufficient number of cosponsors to put pressure on Senator Fulbright to take positive action on the legislation now pending in the conference committee. As of 6 p.m. Cohen had a total of 38 cosponsors. I also left with Cohen two packages of U.S. and foreign commentary favorable to the Radios which had been given me by [REDACTED]

25X1 6. (Unclassified - GLC) Left with Senator J. Glenn Beall's (R., Md.) office a copy of the Director's response of 12 November 1971 to a letter from the Senator expressing employment interest on behalf of [REDACTED] [REDACTED] (The original of this letter was apparently lost in the mails or in Beall's office.) Copies of various application materials were also provided.

8. (Confidential - GLC) Returned to John Goldsmith, Senate Armed Services Committee staff, a paper which he had asked Mr. George Carver to review.

9. (Unclassified - GLC) Left with Miss Lynn Feeney, on the staff of Representative Lawrence J. Hogan (R., Md.), a copy of the China Atlas which she had requested. 25X1

11. (Internal Use Only - LLM) Spoke to Tom Hart, Consultant, Labor Subcommittee, House Education and Labor Committee, and he told me that Senator Jacob Javits (R., N. Y.) had moved to insert in the conference report on S. 2515, Equal Employment Opportunities Enforcement Act, the language we had agreed to yesterday and that there was no objection from any of the conferees. Mr. Hart said that he hoped that they would have the conference report available within the next day or so. 25X1
